Industry Experience

Carolyn has extensive experience across retirement village and community care settings, where she has supported clients with a wide range of needs, including those with complex physical disabilities. Her background includes providing long-term, high-level care, where she assisted with personal care, household tasks, and attending appointments. Carolyn is trained in hoisting and manual handling, and is medication competent, bringing practical skills and confidence to her role. She is dedicated to delivering compassionate, person-centred care that supports clients to maintain their dignity, independence, and overall wellbeing.
