Words That My Friends Would Use to Describe Me:

Empathetic Patient
Reliable Capable
Patient Respectful

Hi! I'm Alison Rose

Alison is a dedicated, empathetic, and highly accomplished Healthcare Assistant with over 20 years of clinical experience in hospital, hospice, and community settings. Currently completing a Bachelor of Health, she combines deep clinical expertise with culturally responsive, patient-centered values. Known for her patience, warm communication, and deep respect for client dignity, Alison excels at providing holistic care, meaningful companionship, and practical support to empower older adults to thrive independently..

Relevant Qualifications

- ★ Driver's Licence
- ★ First Aid Certificate
- ★ **Healthcare Qualifications:**
 - L4 Cert | Bachelor of Health (Student)
 - NZQA Dementia Care Certified
 - Hospice Core Palliative Care Training

Industry Experience

Alison brings over two decades of professional healthcare experience, including work at Tauranga Hospital, Nelson Tasman Hospice, and ICU settings. Her extensive expertise covers palliative care, dementia support, assisting with activities of daily living, therapy support, and equipment handling. This background makes her exceptionally qualified to provide safe, dignified, and person centered support for clients with diverse needs.
