3+ Years

Words That My Friends Would Use to Describe Me:

Friendly Compassionate
Proactive Outgoing
Reliable Adaptable

Hi! I'm Hannah Engstrom

Hannah is a friendly and compassionate support worker who enjoys building genuine connections with the people she supports. As a nursing student with previous experience in healthcare and rest home settings, she brings a proactive and positive approach to her work. She enjoys meaningful conversations, building rapport, and helping others feel comfortable and supported. Hannah is passionate about continuing her development within the healthcare sector and is committed to providing person-centred care that promotes wellbeing, independence, and quality of life.

Relevant Qualifications

- ★ **First Aid Certificate**
- ★ **Healthcare Qualifications:**
 - Level 3 and 4 Pre-Health Diploma
 - Currently Studying Enrolled Nursing at Ara

Industry Experience

Hannah has more than three years of care and support experience and has previously worked in healthcare and rest home environments. She is currently studying enrolled nursing and enjoys supporting older people in a caring and respectful manner. Her experience, combined with her healthcare studies, has helped her develop strong communication skills, initiative, and a genuine passion for supporting others to maintain their wellbeing and independence.
