Home Carers
Reliable Aged Care Since 2014

Jean

Hi! I'm Jean Irving

Jean is a vibrant, dependable, and warmhearted caregiver who naturally fosters comfort and trust in her work with older adults. Having spent years supporting seniors both in residential facilities and private homes, she brings a calm, intuitive rhythm to daily caregiving. Jean excels at providing attentive one-on-one companionship, creating a secure and cheerful home environment where clients feel truly valued, respected, and well-assisted.

Industry Experience

Jean brings comprehensive caregiving expertise gained across both rest home environments and private residences. Backed by formal ACE certifications in general care, advanced support, and dementia management, her hands-on capability covers essential personal care, meal preparation, routine outings, and dignified hygiene assistance. Her combination of structured healthcare training and seasoned practical skills allows her to deliver safe, respectful, and person-centered care tailored to individual needs.
