Home Carers
Reliable Aged Care Since 2014

Tessa

Hi! I'm Tessa Davis

Tessa is an energetic, observant, and dedicated caregiver who brings a natural warmth, vitality, and strong work ethic to every client she supports. As a mother of two boys, she manages her daily care routines with thoughtful attentiveness and a calm, reassuring presence. She is genuinely passionate about intergenerational connection and takes time to build authentic trust, creating a welcoming, uplifting environment where older adults feel truly valued, heard, and supported.

Industry Experience

Tessa offers a decade of hands-on support across residential facilities and private household environments. Her background includes assisting with personal care, preparing custom meals, maintaining mobility routines, and providing attentive companionship. Complemented by formal health studies through Wintec, she focuses on empowering older adults to preserve their established daily routines and maintain their independence with dignity.
